Marriage Notes for ELI KIDD and JANET MCKEA:

[Kidd Family Treeb.GED]

According to my research, Eli Kidd married Janet McDiarmid not Janet McKea. Many sources including "The Derry" state that it was Janet or Jeanette McKea. However I found Eli's marriage certificate in Ontario Marriages. Since the marriage date of March 22, 1872 is the same marriage date that has been recorded by many, I feel that his marriage to Janet McDiarmid is not a second marriage.

The marriage certificate names Janet's parents as John McDiarmid and Grace Steward. The marriage took place in Bruce County. Bruce County has also been recorded by many other researchers.

Isabella McRae was a witness to their wedding. To add to the confusion, a Grace McCrae (different spelling

than Isabella) is living with Eli and Janet in 1881. She is listed as a widow. Is she Janet's mother, and did she remarry?
