

The page size of this chart is ~78 by 11 inches. This is intended for onscreen viewing. Attempts to print it on letter or tabloid size paper will probably not be satisfactory because:

- fit to page will make the text unreadably small;
- multipage at full scale will cut through and likely omit text in page margins, and so waste lots of your paper

It is intended for printing only on a large-format printer

said to have been a son of Benjamin Kidd of Bushmills co. Antrim, who settled at Knockraven, abt. 1644 but no proof. Probably a grandson of Walter Kidd of Inyrie, Ayrshire, Scotland, settled at Dunluce co. Antrim, 1630. M.I. to his child at Dunluce.
